President Donald J. Cowling,

Carleton College,

Northfield, Minn.

Dear Sir:

In the absence of President Falconer I beg to acknowledge the receipt of your letter of the 16th asking for an instructor in military training for next winter. There are fewer returned invalided Canadian Officers suitable for this work than you would imagine, and many requests similar to yours have come from American Colleges. I should advise you to write to General W. Gwatkin, Department of Militia, Ottawa, who may be able to give you help. He is Chief of Staff and President Falconer has been in communication with him regarding this matter, and the returned men will be under him.

We are communicating with discharged university men, and meantime your name will be kept on our list here.

Yours very truly,

President's Secretary.
